EB Docket 06-36

Alaska Telephone Company (Filer ID 804807) CPNI Operating Statement

As shown in the attached CPNI company policy, Alaska Telephone Company ("ATC"), a subsidiary of Alaska Power & Telephone (AP&T), does not use customer CPNI in marketing campaigns and no AP&T employee/owner is authorized to sell or distribute CPNI data. At this time, ATC does not offer on-line access to customer account information.

Employees have received and will continue to receive training in the handling of CPNI. All employees have received a copy of the attached CPNI policy. Employees are instructed to report any suspected CPNI violations to the corporate office which will then proceed with FCC reporting regulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Garrett", is written over the word "Sincerely,".

Purpose:

To document the policy and procedures for handling Customer Proprietary Network Information (CPNI) in accordance with the Federal Communications (FCC) rules.

CPNI Definition:

CPNI is information that relates to the quantity, technical configuration, type, destination, location, and amount of use of a telecommunications service subscribed to by any customer of a telecommunications carrier and that is made available to the carrier by the customer solely by virtue of the carrier-customer relationship.

Information contained in the bills pertaining to telephone exchange service or telephone toll service.

Information such as the phone numbers called by a consumer, the frequency, duration, and timing of such calls.

Services purchased by the consumer, such as call waiting.

Statement of Policy:

AP&T will not use customer CPNI data for marketing purposes and no AP&T employee/owner is authorized to sell or distribute CPNI data. AP&T employees will not release CPNI detail information during customer-initiated telephone contact without first establishing the identity of the caller by use of one of the approved FCC methods listed under the procedures below. Violation of these rules will bring strict disciplinary action as set forth in the AP&T Employee Manual.

Practice:

Responsibility

Action

- All AP&T Employees
1. Establish caller identity prior to the release of CPNI data during customer-initiated telephone contact. Per FCC rules, in the absence of a pre-established password, the following procedures may be used to verify the caller identity or release requested CPNI data:
 - * The customer requested CPNI data may be mailed to the address of record.
 - * The AP&T employee may call the customer back at the telephone number on record and disclose the call detail information.
 - * The customer may come into the AP&T office with a valid photo ID and discuss or pick up the requested information.
 2. CPNI information may be disclosed as required by law enforcement.
